Patriot HR (Rebel HR x Southern Amber) is following in his father's footsteps. Rebel HR eclipsed his sire WF Commando on horn growth and Patriot HR has done the same. Measuring 67.5" TTT at 24 months, Patriot HR took a growth spurt, as Rebel HR's calves tend to do, and grew an additional 8.75" TTT in the following 4 ½ months. This young herd sire is on track to be one of the longest
