This flashy blue roan Rebel HR daughter is a double bred WF Commando granddaughter which is a cross of HCR and J.R. Grand Slam. Her great grandsire on the bottom is Moon Stone Chex which gives her some Butler influence to produce great horn. She was 78" TTT before she was 5 1/2 yrs old with 91" of TH. We are retaining her fall 2022 calf and she will be bred back to Pacific Cowboy 40 (Cowboy Up Chex x RC Pacific Mermaid).
